Axiously ~~terrified~~ the four brave ~~four~~ troops opened the creepy door <sup>room 13</sup>. The parthway was cold, then they saw room 13. They were scared terrified but they wanted to find out what was behind the <sup>creepy</sup> door. Alan was first to enter, he had big brown eyes, wavy but curly ~~hair~~ short hair, tall and very skinny, very funny and nice. Lily-may was behind Alan, lily-may had blonde hair as bright as the sun, short and skinny. Lexis She had bright blue eyes like the sea, blonde hair, tall and skinny. Last of all was Louis, he had ~~bright~~ brown eyes, tall and skinny.

Comperdonky, Alan and Lexis whispered to each other "I am scared I don't want to go in there", Alan told Lexis.

"You have to remember you told us to come and help", Lexis explained.

"Bu bu bu I ~~can~~ don't want to go in there what if I get hurt!" Alan Shouted to Louis

"Know pass me that ~~stake~~ torch, you can go first. Lets get in order"

Louis was gettin grumpy and tired he wanted to go to bed. Lily replied "Okay do you want the stake?"

Alan replied "No, Lexis can get it while you can hold the torch and Louis can get the rock if he don't fall asleep". But they had no chance to argue, neither wanted, they only wanted peace. It was up to them of what to do. They had made their disission/know.

Hearts beating as fast as a cheater, the terrified troops entered the tempting room 13. It took a brife second or two for there eye sight to adjust to the case like a dark thin rain cloud of hell.

The blood sucking motion bed laid in front of Lillymoo looking as scared on halloween. The blood sucking hating motion lay inside. His ruby skin almost seemed to repeat their fears as they looked upon him. Lexis's torch flickered on like a lightning bolt and their shadows hovering across the room. It was bigger than they thought but it was big enough to keep the fear of death at the top of their minds.

At that moment, Lexis had the stake and hid it behind her back. Alan had the cross, they all took a step forward hoping they wouldn't wake the vampire. They were nervous but they wanted peace. Suddenly the demon growled he was waking up he sat holding the sides of his wooden bed, he glared at the children. All of a sudden the vampire got out of his coffin, they all pushed and pushed until he was lying back down. Lexis got the stake ready at that moment Lilly shinned the torch upon him the covered his <sup>demon</sup> ruby red eyes with his arm. Lexis placed the stake thought he'd he growled it was peace-full finally the demon was defeated. Four of them got together and took a step back. Quiet. No noise. They were finished.
